

Bible, 1995, 1632 pages, Oxford University Press, 0191070343, 9780191070341,  
Oxford University Press, 1995

The Large Print version of the NRSV Anglicized Edition is the Bible that has been most frequently requested in recent years, as the NRSV has achieved widespread popularity. Oxford is now responding to this demand with a specially designed Bible that will meet all the needs of those readers who prefer a larger typeface. Every page of this Bible has been examined with care to ensure that it is as easy to use as possible. A double column format has been retained, which always assists in reading large amounts of text, and the font used reduces the number of line turns to a minimum, another important factor is reducing eye strain. The footnotes, which are such a key feature of the NRSV, have been retained in full. This Bible is not only easy to read, but it is good to look at and to handle too. The binding uses a dark green leather-look material with traditional gilt blocking on the front cover and spine. The Bible is sewn for added strength to make sure it can be used on a regular basis for many years to come.
